

**Teaching note — marking words the McGuffey way**

McGuffey's revised Readers printed marks so a student could **sound a word out** instead of memorising its shape. These cards are plain on purpose — mark them by hand, in front of your student, as you teach each word.

**brāve** Long vowel  
says its own name

**lăst** Short vowel  
the short sound

**knife** Silent letter  
makes no sound

**WEEK 4 FLASHCARDS**

Long i and long o words, review, and academic vocabulary. Cut along the dashed lines for twelve cards.

Card one names the week, so a cut stack never gets mixed with another one.
