

Teaching note — marking words the McGuffey way

McGuffey's revised Readers printed marks so a student could **sound a word out** instead of memorising its shape. These cards are plain on purpose — mark them by hand, in front of your student, as you teach each word.

brāve Long vowel
says its own name

lăst Short vowel
the short sound

knife Silent letter
makes no sound

WEEK 24 FLASHCARDS

Compound words, review, and academic vocabulary. Cut along the dashed lines for twelve cards.

Week 24 Compound words, review, and academic vocabulary	notebook	sunset
bookcase	classroom	football
sunshine	happier	happiest
rainfall	landform	BONUS daylight

Card one names the week, so a cut stack never gets mixed with another one.
